Please send an email to [petcallsreception@gmail.com](mailto:petcallsreception@gmail.com)

As a Veterinary Team that embraces the Fear Free initiative we want to make your pet's veterinary experience as stress free and enjoyable as possible. The information you provide will help us take into consideration both you and your pet's preferences.

Does your pet travel in the car to places other than the vet hospital? Y / N

Would you describe your pet's behavior traveling to the hospital / in the car

Travels well  Cries Anxiously  Somewhere in between

Describe: \_\_\_\_\_

Check any situations listed below that your pet has shown avoidance or dislike of in the past. You can add additional comments at the end.

- Getting in the car or carrier
- Entering the hospital
- Waiting with other pets or people in the waiting room
- Other pets barking or loud noises
- Going into exam room
- Getting on the scale for a weight
- Being approached by veterinary staff
- Being touched by someone other than you
- Having someone picking them up for the exam

- Being examined on the exam table (small pets)
- Instruments touching them such as a stethoscope
- Being taken out of the exam room for a procedure away from you
- Having their nails trimmed

If your pet travels in a pet carrier how do they react going into the carrier?

---

Does your pet get nauseous with car travel (drooling/vomiting)?

---

How would you described your pet around other animals and people?

---

Does your pet have any sensitive areas that they don't like to have touched or examined by you or others?

---

Are there any procedures your pet has not liked having performed at the veterinary hospital in the past or that seemed difficult for you or the staff to do? (nail trims, weights, temperature, ear exam, blood draw) If so, how did your pet react?

---

What are your pet's favorite treats? (It helps if you bring your pet into their appointment hungry and with their favorite treats)

---

Has your pet ever been prescribed any medications to help with a visit to the veterinary hospital? If so please list below

---

Anything else you would like us to know (likes/dislikes)?

---
